A little bit about myself...

Hey, I'm Trish! I'm pretty laid-back and love a good mix of hanging out and recharging on my own. I'm big into cooking, always trying out new recipes, and I'll probably offer you a taste if you're around. Music is a big part of my life—you'll usually catch me listening to something mellow, though I keep it chill. I'm an early riser, so mornings for me usually involve a bit of exercise or meditation to start the day off right. I'm all about keeping things positive and light, and I'm always up for a good conversation when the moment feels right :)
